JFNZ 01455/ROE

PSR(IC)3

1. The attached document was received by me yesterday. Note that whilst your ROEREQ 004 has been declined by CDF, I have been authorised to and hereby broaden the definition of "designated persons" for TF 81, to include:

"Any persons who are working or providing assistance in support of TF 81, ISAF, the CRU or ANSF".

2. In accordance with NZ ROE **A** TF 81 may now use force, up to and including deadly force, in defence of any persons who are working or providing assistance in support of TF 81, ISAF, the CRU or ANSF, against a hostile act or demonstration of hostile intent.

3. The intention of ROEREQ 004 posed no legal difficulties, and was consistent with the concept of the ROE, however it was concluded by HQNZDF that the intention of the ROEREQ could be better achieved by broadening the NZ ROE definition of designated persons. **PSR(S)1, PSR(IC)4**

PSR(S)1, PSR(IC)4 Consequently, I approve
and thereby broaden the definition of designated persons within the
NZ ROE.

4. You will note that my designation does not extend as far as **PSR(S)1, PSR(IC)4**

Therefore, note the limitation imposed on TF 81 at para 1 above. This limitation avoids potential issues arising were TF 81 to become involved in situations of a domestic or judicial nature.

5. If you have any queries please contact me or my J09 directly. Your LSO is in regular contact with J09.
