Will do. Journo said she hadn't heard from Mindef's office when she talked to me. That was only 5 mins before the news started. Interesting.

MINDEF has told and confirmed the story on TV1.  
How is it we don't know about these things?  
I suggest we redirect media calls to the Ministers office until we get some info for release.

Got a call too, that's when I missed your call PSR(IC)3,

No way we could find out and get a response to her tonight without going thru CDF and Minister.
